The Instructional All-Star game is set for Friday, June 14. Some questions were brought up and answer about how the game was ran. The instructional teams will have their pizza party right before they play their game.

ETJ will celebrate and hold their 25th, tournament for the 11-12 and 9-10 year olds. This will take place the weekend of July 19th. ETJ will also hold their first ever pitch machine tournament over the weekend of July 12th. The first place coaches in the league gets to take the All-Star team. Dan Markewiez has the 11-12 year old team. Chad Forcellini has the 8U team. Al Conrad then decided to take the team of 9-10 year olds. At this time, kids are being asked to play. All All-Star parents are responsible to work in the concession stand during our ETJ tournaments.

Some questions came up about Nanty-Glo players playing for the ETJ teams. Basically- if not enough ETJ players are interested, then there is not a problem in asking Nanty-Glo players to join.

The softball teams are competing in Conemaugh's All-Star tournament over July 19th, this is for girls 12 U.

All All-Star teams need to get information in for the tournaments they are playing in and see Matt about checks to play.

Paul mentioned that all but 20 gun tickets were sold. He talked to “Ebensburg Hunting and Fishing” and all but one gun has been picked up.

A camera system was purchased for Leidy.

Reminder that Ben Gorman from the Red Sox team is our webpage guy. He has made all updates to the website- Thanks Ben! Paul encouraged people to check it out. The website will be set in real time data for the upcoming tournaments this year.

The sportsmanship trophies are ordered, along with the playoff and regular season trophies for this year. The playoffs will work that 1 plays 4, and 2 plays 3 for the minors in double elimination fashion.

Paul made some adjustments to the schedules for rain. The coaches for the majors- including the Nanty-Glo teams were having a meeting after this meeting to continue rescheduling games and talk about play-offs.

Thanks to Shawn Sipe and Kurt Lecorchick for “voxing” the meeting for me, so that I was able to record the minutes.
