Treasurer Report: Matt gave the treasurer's report. We have \$13,659.12, but we have bill totaling around \$10,000 leaving us with roughly \$3,600. We had 4 loads of dirt brought in for Mitchell Field 2. The biggest expenses now are for umpires and concession. Concessions are also are money maker at this time.

Motion accepts the treasurer report dated 5/13/13. 1st Steve Ruddek 2nd Kurt Lecorchick.

Paul is going to scan the winning tickets straight to Hunting and Fishing for the week of the drawing. Paul will also call the ticket winners. The Gun tickets begin to go off on Saturday, May 17.

Members Present: Paul Wyrwas, Amy Forcellini, Cliff Richey, Tom Polka, Kurt Lecorchick, Matthew Evans, Dan Vivian, Terry Hall, Marty Bezek, Jim Lamer, Mark Svencer, Chris Selfridge Al Conrad and Stephen Ruddek.

Pictures went very well. The weather held off until the pictures were done, and we didn't have any problems. If anyone was unable to attend pictures, they are to call Life Touch directly to schedule their make-up pictures.

Paul has asked that the home team at each game stay to drag the field after the games. We need to take care of the fields.

Cliff reported on uniforms. We had some problems this year. Some jerseys came back the wrong color, some letters were backwards. He is going to research a few screen printers to see if there is a better group out there for next years' shirts. However, we have to keep in mind that many will not print the MBL logos on the shirts. All coaches present seemed very happy with the jersey changes this year.

June 7, 2013 is the minors pitch machine tournament. The cost to enter is free. All that is needed to enter is 5 baseballs. The games will start at 9 am, and we will need people to help with concession.

We discussed having two separate tournaments for the 10 and under and the 12 and under rather than a combined. We need to set our tournament dates. We also need people to work the fields and concessions. We will also have another pitch machine tournament again this year, as last years was a success. All- stars teams will need to be picked. We want to get uniforms ordered early this year. Teams will consist of ETJ and Blacklick players.

We have has several rainouts. It is up to the head coaches to reschedule these games.

Nanty-Glo has offered to buy the trophies this year for playoffs, since ETJ bought them last year.

Sweatshirts for 12 year old softball and baseball players have been ordered.
