### **Monthly Meeting – 12/3/2018**

Attendees: Chad Forcellini, Jon Serenko, Steve Ruddek, Terry Hall, Jimmy Fisher, Gary Sechrengost, Dave Spochart, Nichole Spochart

President Chad Forcellini called the meeting to order at 7pm.

Previous meetings minutes were not available for review.

Treasurer's Report – Amy was absent, Chad reported that the current balance is \$7,388.48. Currently all bills are paid and up to date. Check was sent to St. John Vianney Church for the basket party hall rental.

Discussion about the 2019 Baseball/Softball signups signs was brought up. We need to get with Sam Amenti to see about getting the signs up on Route 271.

Chad mentioned the gun tickets for this year. He has had discussions with Sporting Good Discounters about the ticket. It would be 10 guns for \$20.00. Each player would be required to sell 5 tickets. Question was brought up if they would entertain a cash option as well. Chad said he would ask.

Our basket party is a HUGE fundraiser for the league. Based on years past success, baseball is looking at purchasing a side by side for Mitchell Field. The new drags warrant the machine.

Picture Dates – Baseball – April 22 & 23, 2018 & Softball – April 24, 25, 2018

The batting cage netting at Mitchell needs to be taken down as soon as possible.

Nichole Spochart was going to look into the basket party tickets as far as getting them printed. All tickets will have to be available for signups for distribution.

Softball Update – The poles for the new lights have been installed. Thank you to all who helped. They will be returning to install the actual lights when they are available. The scoreboard still needs to be wired. Will be completed later. We need to make opening night a big deal for Leidy. Formal invitations to Kiewit and CPV Fairview need completed. Ideas for opening pitches for softball and baseball are needed. Baseball is looking at doing an all-day Saturday Opening day with all teams like last year. We feel that was a great success and got everyone involved.

Hopefully in February 2019, the weather will cooperate to work on the lower field.
